✓ John A. Burt:
4-17-30:

Leaders in Danger

Told me that shortly before the death of Joseph M. Tanner, he (Tanner) told Burt that Prest. Wilford Woodruff had told him, the day would come when the leaders of the Church would have to run for their lives, so great would be the opposition to them, (presumably from within).

Pres. Grant

He was handled for stating H. J. G. had married plurally since 1914, which he didnot state; but he could have stated truthfully, H. J. G. married plurally since 1915, (his cousin a Woolley girl (born in same year as [illegible]) who lives in Los Angels and has three children. She is called his daughter) and also has so married since 1918.

1931 ✓ Joseph F. has two children by women who are not more than 50 years of age. He sealed as late as 1914.

Joseph visits Brigham in England

During the life of Joseph Smith and while Brigham Young, head of the Apostles was in England, and was in great need of help, comfort and counsel, Joseph Smith was transported there from America. He opened the door to the hall where the meeting was being held, and entered. Brigham Young saw him enter and knew him. He was seen and recognized by others who supposed he had decended through roof of the building. This shows how the Lord can convey, by the power of his Priesthood, from place to place. When the Prophet left, he used the door thru which he entered, tho Wilford Woodruff and others thot he ascended through the ceiling.

Dream of Gazelam related 2-26-31.

He was on West side of Main St. bet. South Temple and 1st South, when he was met by Joseph F. Smith (who had died some time before). Prest. Smith said, "Loren arent you going to the meeting"? (a solemn assembly

L. C. W. to speak at Special Temple meeting

being held in the Temple). Loren said "No, I haven't been invited." Prest. Smith said, "Oh yes, you must be there; you are expected to speak." Prest. Smith then led Loren into the Temple and to the door leading into the Priesthood assembly room. He opened the door and told Loren to go in and go to the stand. As Loren advanced toward the stand he heard arguing between Bro. Talmage and others to the effect that he (Lorin) should not be there. He had been handled and was not entitled to admittance (This was before he had actually been handled) The voice of Prest. Smith was heard from the door to the effect, - "Oh yes he is qualified to be here, - go ahead Loren." Voices whispered - "That is Prest. Smith speaking." Loren walked to the Pulpit and the voice of the Prophet Joseph Smith was heard, saying - "Lorin will now give the history of the Church from the underground days until the present." A voice in the assembly said, - "That is the Prophet Joseph

Smith talking;" and the brethren who had been arguing against Loren's admission into the assembly, shrunk and shriveled up.

Bread and Wine.

Related how at a sacred meeting in the Temple, called by President Lorenzo Snow, he (Prest. S.) administered bread and wine after the pattern set by the Savior— breaking a loaf of bread in large pieces; each person dipping bread in the wine and eating it.

Apostle Carrington re-instated.

Apostle Carrington was re-instated about six months before his death, by Angus M. Cannon and Lorin C. Woolley, with all former blessings. He had been unjustly dealt with for taking women as wives in England. They were in the nature of concubines, since he could not have them married to him there.

A. M. Musser was a member
of the Grand Council of the K of G.
Such members are selected by Jesus
Christ himself and annointed by
him.

Prest John Taylor said at the
Carlile home, to Lorin C. Woolley,
"Joseph Smith, as a resurrected being,
1 guided Brigham Young across the
plains and led him to Utah. His
remains were not brot to Utah
by wagon as many have supposed."

An officer in the Church, not living
2 the Patriarchal law, cannot sit
in judgment on a case of one
who is living such a law.

Meaning of Apostasy

The young people of today, who
have not had the fulness of the
Gospel preached to them, are not
3 among those who will apostatize,
as one cannot apostatize from
a principle which has not been
received.

Order

✓ Each woman - wife - should have a home or a room she can call her own and have private access to.

"Talents of God"

1 ✓ X Many taking plural wives and failing to live the principle, - their wives will be taken from them and given to others who are worthy, - among them, men who would have lived the principle but could not because of physical or other handicaps.

2 X "Thus saith the Lord God of Israel to my servants the Presidency and Quorum of the Twelve; I am not pleased with your work."

Gist of revelation said to have been received by Apostle Orson F. Whitney shortly before his death and rejected by Pres. Grant.

X Foundation of Salt Lake Temple was of sandstone from Red Butte canyon, against the protest of Architect Angel and others; Brigham Young upholding it. Later it was taken out and used as the base for the wall around the T. block.

X Son of the Morning: - Son of light and knowledge; First Son.

X Holy Spirit of Promise: Proceeding from Holy Ghost, sealing with promise, such as those accepting Patriarchal Marriage.

X John Taylor said; - Joseph and Hyrum led the emigrants to Utah, in their resurrected bodies.

X Z.C.M.I. suggested by Bp. Edwin D. Woolley, Hooper, Eldredge and Jennings in about 1859, but suggestion rejected by Brigham Young. Later Prest. Y. inaugurated it and had Ward Co-ops organized to be supplied from the parent organization. The 13th Ward Co-op under Management of James Freeze outgrew Z.C.M.I to the chagrin of B.Y.

✓ H. J. G. introduced a lady to a certain Relief Society officer — in California — as "Sister Grant and these are our daughters."

✓ Bro. Ballard saw the Savior in a dream, but not in reality.

Joseph's Weaknesses

✓ H. Prest. Snow once said that when he learnt the Prophet Joseph had weaknesses it made him very happy, because he felt if the Lord would be patient with and forgive the Prophet of his sins after having seen him and had such wonderful manifestations, He would surely forgive him — (Prest. Snow) who had not been so greatly blessed.

12-3-31:

✓X Peleg was a great and mighty Prophet who, with his people was taken from the earth as Enoch was.

1 X Those like Enoch and Peleg, who are faithful and are taken away ascend away from the earth. This earth decended from Kolob when the fall took place. Some day all the different parts will be returned, this earth ascending to meet the parts belonging to it but more exalted on account of obedience.

X Celestial Glory: Compared with (1) the Sun. As at break of day the sun appears mild and grows brighter and more intense each minute until noon-day, so shines the different degrees of glory in the Celestial Kingdom.

Progress 3 X Man must enter all Kingdoms of Glory - Celestial, Terrestial or Telestial - by baptism and the accompanying ordinances; until he accepts such, he must remain in a Kingdom without a glory. It is reasonable to expect man to advance from one Glory to another, else there would be an~~x~~ end to progress.

X In the spring of 1887, while he - Gazelam was plowing on his father's farm in Centerville, and was rushing to finish the work, he was taken off the plow to run an important errand in connection with the Brethren then in hiding. Upon his return ~~in~~ the next morning ~~several hours~~ he discovered the plowing had been continued by unknown hands so that no time had been lost, and the team didn't indicate it had been worked.

a miracle

X At another time the ~~corn~~ wheat in the field had been shocked in some miraculous manner.

X Again, a horse being rode by Jno. W. Woolley, suddenly took sick when about ~~x~~ six miles from home. It perspired and looked as if it would die. This lasted about an hour. Nothing Bro. W. could do for it seemed to help. All at once the horse recovered and took its rider home without trouble. It was learnt that officers were lying in wait for some important papers being carried by Bro. W. and on account of the delay caused by the sickness of the horse, they had left and he reached his destination without molestation.

"I ordain you to become a Patriarch when you have complied with the requirements." Language used by Prest. Joseph F. Smith on head of Hyrum G. Smith.

One acre will prove as productive as five acres here. One well will develop enough water for 1000 acres. Here is one place Water will bubble up in the desert as spoken of by Isiah. Prayer Circles of the Priesthood will be scattered from Mexico, thru that section, to Canada, to keep the asiastics, and Europeans from overrunning this Country.

X "The wind bloweth where it listeth and thou hearest the sound thereof but canst not tell whence it cometh and whither it goeth."

X ✓ Joseph Smith had predicted that a member of the Quorum of Apostles would occupy a seat in the U.S. Senate. This was that impossible by Judge Douglass and others. Reed Smoot was the means of fulfilling that prophecy.

X. Christ was the first fruits of the resurrection; also an ensample for all time. He received from the grave (tomb) the identical body he had in mortal life and which was crucified. So will all men receive their real bodies in the resurrection, but in perfect form and all bodies will be, or grow to be to the full stature of the spirit.

X. As the brethren, Pres. W. W. and the 12., were examining into their lives and seeking the forgiveness of each other and the Lord, and after several had confessed their sins and weaknesses, – one – F. M. L. declared he didn't feel he had anything to repent of as his life had been carefully conducted, Whereupon Pres. W. W. asked him to stand up and take a position in the center of the circle of brethren. Then requesting him to slowly turn around, directed the attention of the brethren to him, requesting them to watch him — a perfect man, who at any moment might ascend and leave them.

April 8-1932:

During last night Gazelam at home of Jos. L. Broadbent, claims to have been visited and conversed 1/2 or 3/4 hour with one of the three Nephite Apostles and was by him conducted to a temple in Yucatan, So. America, that was built shortly after the days of the Savior in mortality. Its about the size and architectural design as the Salt Lake Temple. No ordinance work is being done in it, but apparently three Lamanite chiefs have charge of it. It is miraculously kept clean. Its location is not known by the natives generally. One of the chiefs spoke of having 7 wives and one fire. It took about ten hours from the time Gazelam left his room until his return. He was sleeping with Jno. Y. B. and during night was seen to be missing by a member of the household who looked in the room.

While there Gazelam was intro-
duced to a congregation of about
300 people - who were awaiting in-
structions on the Gospel. Some had
become disatisfied because of the
attitude of our brethren here, their
forked way of talking - one thing for
the white man another for the Lamanites.
X Gazelam was previously taken
there and introduced to the leaders by
the Prophet Joseph Smith under the
direction of our Lord.
✓ These people at Yucatan are
white, having Nephite blood pre-
dominating in them. They are
intelligent and fine peoples. They
are disatisfied at the seeming change
of attitude of Pres. Ivins since he came
here, and donot trust his son Antoine now.
They want and insist upon the fulness
of the Gospel.
X Nephi was name of Apostle who
came for Gazelam.

✓ Mohonri Moriancumer - the "Brother

May 12-1932:

X ✓ Two Jewish brethren have been translated in our day and are now working among the Jews. This happened recently, - one within a year ago. Member of Grand Council of K. of G. (See p. 44)

✓ "Father cannot bring to pass the things that are shortly to transpire with men in power who have openly or secretly, directly or indirectly raised their hands against plural marriage." - Jno. A. Bent, claims to have been told him by Joseph Smith in dream or vision.

✓ From Gazelam: 5/19/32

X Shortly before being murdered, Joseph Smith said: "I am going to take my place in the heavens," until which time John Taylor didn't have a clear understanding of who J. S. was - one of the Gods.

X✓ Not that which you have, but that "which you seemeth to have" shall be taken away from you and given to he that hath, - meaning the wife or wives whom he is unworthy of.

✓ Not the wisdom of the wise, but the "wisdom of those who think they are wise" shall perish.

✓ He that will not provide for his loved ones is worse than an infidel, carries a meaning, that provision has reference to embracing the fullness of Marriage, else the family organization is not complete and happiness cannot result.

X✓ Temple work done by unmarried people is only effective as they complete the marriage relation as the man is not without the woman, nor the woman without the man in the Lord.

X✓ 1st Annointing - To become &c.
✓ 2 " { Definite blessings.
✓ 3 " { By the Lord himself.

✓✓ Those who have not taken their wives thru the veil will have the privilege of doing so, if faithful.

✓✓ "And it shall come to pass that the noble of my spirits shall be reserved to come forth in the last days to fight the fight."

✓ ✓ "O, ye of little understanding, how oft would I have taught you, but you could not receive it."

✓ An Elect person is one whose annointings and blessings are such as to enable him to resist the temptations of Satan.

Wow!

✓✓ Gazelam - May 25/32:
The Zion spoken of to which the righteous would flee for safety and where the money will be safe, is the region occupied by the Saints in the Rocky Mountains, according to instructions from Joseph Smith, Brigham Young, John Taylor, &c.

✓. Those who are living the law and engaged in setting the Church in order, from now on will not have to shed blood. The wicked among the Mormons (as in the world) will slay the wicked.

✓ Prest. Taylor said on different occasions, that these mountains - (Wasatch Range) are full of Gold and when it is needed the Lord will bring it forth.

✓ "I would rather be a door keeper in the Kingdom of God, than President of the Church." - John Taylor.

✓ Brigham Young stated in substance:
✓ The gentiles will open up the mines which will later be closed, after which the Lord will direct the Saints to re-open them, ~~tt~~ take the treasures out to be used in building up Zion.

✓ Those who charge the Saints usury will lose what they have as well as what they seem to have and they will go to hell cross-lots.

"Be ye wise servants (not serpents) and harmless as doves", is proper rendition.

Gazelam - 6/12/32.

James and John the lesser sons of Joseph of Armenia by his first wife - Mary being his second wife. He had four other wives - 6 in all, including Mary. John the Revelator Sam and Isaac - sons of Joseph by Mary mother of the Christ.

John the R. took Jesus' wives at his (Jesus) death.

John the R. under direction of Jesus Christ taught Joseph Smith the patern of the Garment. He cut out a patern and had Jos. S. cut one out to know that he could do it.

The Collar is the crown of the Priesthood.

Those discarding garments after having worn them, cannot again wear them unless authorized to do so by proper authority.

Garments may be rolled up on legs and arms to avoid dirt when occupied in such work and to avoid gaze of wicked people. "What's muddier than the gaze of the wicked?"

4√ John the R. held keys of Patriarchal Order from his father Joseph and those given special work in connection with this Patriarchal calling and who remain true and faithful, are generally of that lineage.

X√ "Fasting" is Adamic from Kálŭkă, and means prayer or praying as expressed in the Hebrew, or feasting.

X√ Jesus fasted for 40 days and nights, but did partake of food to sustain his body. In other words he was praying and communing with the Father 40 days and nights, after which he was left to be tried of the devil.

√X Joseph Smith got much of his great knowledge thru such fasting or prayer which would last for a week at a time, but he partook of food sparingly during the time as did Jesus during his fast or prayer.

Gazelam - 6/21/32.

✓ Prest. Smith claimed it was revealed to him by mouth of his Uncle Joseph Smith, the Prophet, that the offices in the priesthood such as, Deacon Teacher, Priest, Elder, Seventy, &c. were but appendages to the Priesthood and that the Priesthood itself must be conferred before the office is given. Thus the present plan is in error, - the plan of ordaining a man to the office merely.

✓ Prest. John Taylor, learning from Prest. Smith of this revelation, said of course that is the proper order - i.e. to confer the Priesthood bef ordaining to the office.

✓✓ Apostle Ballard claims to have been visited by Jesus Christ and has so testified, - whereas it was a dream manifestation and he (Ballard) has never been anointed by the Savior.

X When the Church is set in order I look for the Josephites — those who are sincere, at least the majority of them — to come and acknowledge their ~~order~~ error and join the real Church. They cannot be expected to do so now as we along with them are out of order, in fact we may be almost as far out as they are. We must set our house in order before inviting them in.

X Apostle Hyrum M. Smith made requisition for 100 experienced men who were qualified to preach the fullness of the Gospel in the European Mission. A canvas was made and about 150 such were found; only about 1/3 of whom could take such a mission and bear their expenses. However the Quorum of the Apostles decided for sending that class of men.

Turmoil in all parts of eastern continent. Rape, murder, disease and devastation. Reaching from there here. Congress in turmoil, fighting each other, knifing one another. ✓ ✓ Priesthood gives authority but it takes the appointment to properly exercise that authority.

✓ ✓ Keys of the Patriarchal Order of the Priesthood, are not necessarily held by the Presiding Patriarch of Church.

✓ ✓ Hazelann's vision of several years ago: Saw multitudes of people trying to get in the Temple thru the south gates where guards were stationed to admit only those entitled to entrance. At the entrance of the building two other guards were on duty to still further do the sorting out. And part way up the stairs and inside the building, Lorin C. Woolley stood on guard. He partly dosed and heard someone call Lorin in a loud voice, and awaking found many people attempting to get by him who had to be turned back. Then he was called by Joseph F. Smith and his father, Jno. W. Woolley to leave their brethren on guard, and he to go up to them. He did so and was conducted into a spacious building, exceeding large almost like a State in size, where beauty and grandeur prevailed to an extent indescribable by human language. Finally he was directed to return to his post and on returning he beheld the three men on duty but before reaching them the vision ended.

In relating the vision to his father Jr. W. W. he stated: "My boy, I expected to stay with you, but you will have to take the load alone."

G. will come under condemnation.

Suggestions:

1 Manchu~~ria~~chue has been recognized as a separate Government by Japan. From this event much is apt to happen. The ruler is 1/2 Jap & 1/2 Chinaman tho understood to be full Mongolian. Jap represents there are only 100,000 Japs there, while the Lord says there are a 1,000,000. This Govt. will declare war on China, and as it is not a member of the League of Nations, it cant be stopped by the League, but Japan will fight the battle. Then likely Russia will enter and became involved with England who will be protecting India - Bear & Lion will come together. Germany & France may combine against U.S. France is for gold, England for India.

Hoover is likely to lose in the election.

Should he win he may never take his seat—most likely won't.

√√ Franklyn D Roosevelt is much like his cousin Theodore was. He believes in religious liberty and those who live the Patriarchal Order of Marriage as a religious right, he claims cannot be interfered with under the Constitution. He has been consulted and has promised to do the right thing if elected.

√√ Roosevelt's split with Taft was over matters pertaining to Mormon Church and Kingdom of God.

√√ Lincoln forfeited his right to the blessings of the Lord by signing the "Cullom bill against polygamy and threatening to destroy the other "twin relic of barbarism"-polygamy, when he got thru with the slave question. He broke his covenants which were very sacred and specific. Other Presidents, such as Taft, Wilson, Hoover and Curtis have broken their covenants.

√√ Brigham Young said Lincoln would not live to carry out his threat against the Mormons. He did not.

√√ Reed Smoot has been tried in the balance and found wanting.

✓ Instructions to the Five:

✓ You will have the weight of this world upon you, and one of you will have to stand alone. Joseph S. laid his hands upon the heads while J.T. set them apart or acted as mouth. J.S. expressed surprise that Geo. Q. C. didn't kn L. C. W. had been an apostle for several years.

✓ Russia: Jews there are seeking to establish the Order of Enoch but are starting wrong. When the Gospel of the Kingdom is preached in fulness the Russian Jews will accept it and a nation will be born in a day.

F l a g

✓ Flag of U.S. is as much inspired as was the Constitution. It is the flag of K. of G. The blue field - meaning God's Kingdom. Stripes: purity of government and shedding of blood if necessary. Stars: representing the nations coming in under it.

✓ Melchisedec and Shem the same. King of Salem - went up as did Enoch. Many wives like Solomon. Chinese of Shem, as are the Mormons, but by a different mother.

X✓ Expect Church to be set in order and law and testimony to be sealed up very soon.

X✓ Law against Bible polygamy decided unconstitutional $100,000,000.00 prepared to fight for rights.

X Russia will likely fight for the rights of the Jews, and the Bear will put its paw on the Lion. Jewish money will make the war possible and will be controlled by the Priesthood. Jews are friends, - Catholics are enemies.

X✓ Hyrum Smith had been set apart by Joseph to succeed him in the Presidency, and Brigham had been promised that he would some time come to the Presidency. When Hyrum, thru his death, failed to be President, Joseph's mantle fell upon Brigham. He looked, talked and acted like Joseph.

Keys to Presidency

X ✓ Each President of the Church has designated his successor, before death, and passed on the keys of the Presidency of the Church, except in case of Heber J. Grant.

whom Joseph F. Smith designated, but didnot confer the keys, he taking them with him.

X✓ *"I am going into the heavens* to *take my place,"* remarked Joseph Smith a few days bef. his martyrdom. "I am rolling the burden off onto you brethren, but I will assist you."

✓ There are more of the *valiant spirits* reserved to come forth in this day, than came anciently, because the work now calls for more strength and power.

✓ It is likely that the *faithful* will not wait long after death before their resurrection and they begin the preparation to *create worlds* for their children.

Thought: While in spirit is it not possible that we *beget spirit children*, and have a host of them there - our children and decendents ready for bodies on an earth that we shall shortly prepare? No.-

X✓ In 1886 John Taylor and company, including Geo. Q. Cannon, Clerk John Nuttall and others stopped at residence of Wm H. Hill in Mill Creek for about three weeks, going there from residence of Bro. White or Carlisle; and bef. he went to Centerville - Jno. W. Woolley's home. While at Hill residence, he dedicated the place as one of safety &. for Bro. & Sister Hill and family and their posterity, and while there he was visited, at least once, by the Prophet Joseph Smith. - Gazelam.

X✓ To show the Prophetic gift of John Taylor, - at one time when Sam Gilson had arranged a death duel between himself and Sam Bateman, one of Prest. Taylor's guards, to take place on redwood road, between Centerville and Salt Lake, Prest. Taylor, knowing Bateman's temperament and determination and absolute fearlessness, didn't try to dissuade him from the act, but instructed Lorin C. Woolley to go to a certain place in the road where the meeting place had been arranged for, and in a clump of Willows he would find 3 or 4 men with double barrel shot guns, lying in ambush to kill Bateman, before he could draw on Gilson. He told Woolley to go and route the "Skunks" out of there and send them down the road - South. He did so, finding 3 men lying in wait, and drove them off. They left their guns and went down the road and Sam Gilson did not show up. A bloody tragedy was averted.

X At times even during a meal, Prest T. would stop eating and designate one of the Brethren on an important mission, to save a life, or help out of some difficulty or accomplish something necessary, saying, "You must leave now and not wait to finish your meal." He appeared to have all the gifts of a Prophet and Seer and was always on the job.

X Two homes dedicated for a place where Jesus can come to abide and bring with him his wives or friends - Home of Lorin C. Woolley, so dedicated by John Taylor and home of J. Leslie

He was prevailed upon to chose the latter course by such men as-

Geo. Q. Cannon
W.W. Cluff of Coalville

Martyrs

X ✓ Gazelam – 3-11-33:

In the early fifties, Brigham Young said substantially as follows:

"After me will come a man to lead this people who will die a martyr. He will give his life for the same principle that Joseph Smith did; and after his time, men will be raised up who will offer their lives for the same principle and they will become martyrs tho they may live to see the second coming of Christ."

In Brigham City at a conference in 1882, probably in early May, George Q. Cannon stated in substance:

"When the constitution of the United States will hang as by a thread, it will not be politicians, or statesmen, or political parties that will save it, but it will be saved by the Priesthood of God, if it is saved." This was made in the name of the Lord and endorsed at the time by Pres. John Taylor.

Constitution - how saved.

Pres. Cannon, talking further cautioned the people against placing reservoirs in the mouths of the canyons, and building their homes below them, for he stated the storms will cause the reservoirs to break and destroy both life and property. X 1. Geo. Q. Cannon used to teach those partaking of the sacrament who rejected any principle of the Gospel that has been revealed, ate and drank damnation to their souls. He once forbade a Sister in San Diego, Calif. partaking the Sacrament because she openly rejected the principle of Plural marriage. She and her husband afterwards left the Church, which Prest. Cannon approved, as by so doing their condemnation would not be so great as in staying in and rejecting part of the revealed light. Sacrament introduced into Sabbath Schools by Geo. Q. Cannon - a mistake.

Sacrament

X Brigham Young and also John Taylor, each predicted to Lorin C. Woolley, the day would come when in consequence of his trying to live his religion and do his duties "those whom you have befriended and done good to will call you all kinds of names and

endeavor to tear you down and destroy your usefulness". He was advised to bear such injustices patiently and the Lord would "fight his battles". That day has arrived.

X April 5: In the days of Peleg, the earth was divided - so says the Bible. Peleg was a great Prophet. He was persecuted by those who claimed to live the Gospel and was vilely used and abused, even to having been unsexed. He forgave his traducers and persecutors in accordance with the principle laid down in Sec. 98 of D&C - not only four times but even to ten times, then they were stricken, tho claiming to be Saints of God, and went to hell, while he and his faithful followers were taken away on their part of earth as was Enoch. After being unsexed by the hellish fiends, his body was restored or renewed in accordance with the Lord's promise in Sec. 84 D&C and he became father of 75 children after being renewed. He had 61 Wives! What a Prophet!

Peleg's persecution

X✓ The judgments are upon earth, and the scourges are reaping their deadly harvest. X The seven entered the T. annex confronting the 1st Presidency and Apostles and 1st 7 Presidents of 70. Apostle Widtsoe and Merrill being absent. They were holding a meeting. Prest. G. says, "What are you doing here?" Gazelam, as spokesman, said in substance: You, H. J. G. have denied God and J. C. by repudiating his revelation to Jno. Taylor and denying its existence. You have lied, and you will be dumb and your hands will shrivel up and you will remain that way until you repent. You, Anthony Ivins and Ruben J. Clark will be similarly damned for you too have denied the power of God. And this condemnation will be visited on the members of the Quorum of 12 and Seventies, who have similarly acted and in proportion as they have so acted. The judgments came upon the brethren immediately. Their mouths closed so they could not utter, their hands distorted terribly, some partially blind. Those escaping were R. Clawson B.H.R., J.G.K., Rulon S.W. and Levi E.Y. Jo. Fielding and David O. McKay were effected lightly.

In leaving the room the seven were enveloped by such a bright light that people seeing them blinked their eyes for the brightness.

Joseph Smith predicts storm on east coast.

Gazelam related:

In last part of June or 1st part of July 1842 Joseph Smith prophesied that in the 103d year of the Church - 1933, in the hottest month of the year, the east coast would be visited by a terrible storm. Waves would heave beyond their bounds &c. overflowing and destroying property. The storm would affect the waters in the Chesapeak bay reaching up into the Patomic River. The winds would wreck trees in Washington D.C. &c. the storm wreaking havoc all up and down the east coast.

After dedicating the temple at St. George and on his way home to Salt Lake, Brigham Young mentioned this prophecy at Cedar City and at other places, counseling the Saints to dedicate their homes to the Lord as places of safety, saying when the great storm comes it will sweep thru the country even Utah would feel its effects.

Later, when Davis Stake was being organized, the meeting being held at Kaysville, Brigham Young said that in the day of these storms and disasters

Strange diseases

strange and unknown diseases would visit the people and also live stock. At the present time "Sleeping sickness" is taking a toll of life in St. Louis (Aug. & Sept. 1933) and in Utah a malady unknown to the scientific world is preying on the horses.

X. The recent storms on the east coast, Aug. 23-4-5-1933 seem to fulfill the above prediction of J. S. at least in part.

Repudiates

✓ When a man repudiates his Priesthood seven times, it is taken from him by God himself.

X ✓ As a continuation of the revelation Sect. 132, the Lord revealed —

"A man, dishonoring his Priesthood and his marriage covenants, forfeits his wives and children; the wife being released by the same authority that sealed her, is free to marry another man – worthy, her children automatically going to him without an adoption ceremony. They follow their mother and her sealing to a husband takes them with her.

Should she remain unmarried after her separation from her unworthy husband, and her father is worthy, having the Gospel, she and her children become his."

H Also was revealed that while a man might take ten virgins under a vow of marriage, as concubines, yet he is under obligation to have them sealed to him at the first opportunity. Hagar was thus sealed to Abraham after her son was born and she had left Abraham's tent. Melchisedek came to Abraham and instructed him to send for Hagar and have her sealed to him. Abraham inquired if such was necessary for his exaltation along with that of the woman; the answer was, yes. So Abraham complied and Hagar became a seal wife to him.

H Christ's statement (Matt. 5: 31-32) indicating fornication and adultery the only grounds for divorce is modified to mean that a man may become unworthy of his wife and yet not be an adulterer, yet she is justified in leaving him and marrying another, under proper authority.

X The 85th Section is only part of the revelation. It states that a statement shall be gotten up by a "foreigner, an american and the son of a foreigner — Chas. W. Penrose, Frank J. Cannon and John White, and that it shall be sponsored by leading brethren (in finance) of the Church.

✓ Gazelam 10-5-33.

✓ Told me that B.Y. was set apart as Pres. of Church by acting Patriarch "Uncle" John Smith, on way back from Nauvoo. He was set apart temporarily only. When Jno. S. son of Hyrum, the rightful successor, came of age and was married to two women the same day, he became Patriarch to the Church and set apart or ordained B.Y. to be Prest. of Church. In regular turn he ordained Geo. T., W. W., L. S. and Jos. F. S. to the Presidency. Jno. S. the Patriarch had told this to Gazelam on a number of occasions. The office of Patriarch is above that of President of Church.

X✓ When Jos. F. S. died, H. J. G. being Prest. of Apostles, ordained Bro. Lund Prest. of Apostles. Then had Bro. Lund ordain him Prest. of Church. He then chose Bro. Lund as a counsellor

Left Centerville at night arriving at Provo at day break. Learnt from Prest. Smoot B.Y. Jr. had been there and changed horses and left, which direction he didn't know. Gazelam, led by the Spirit proceeded to Heber City, changed horse at Jno. M. Murdock & learnt B.Y. had been there and left, traced him to Kamas, Coalville and Morgan, catching him near devils slide in Ogden Canyon. Had team go back over divide into City Creek and sent him south.

Knew by the Spirit each place B. Y. would stop at and had no trouble following him. Was in saddle most of two days and three nights.

J.W.M. 1/13/36.
When the earth conceives and brings forth life, no man has a right to destroy it without divine direction. All food should be put to useful purposes.

To abort nature in matters of the soil is a sin, as it is to abort nature in woman. The Government, in having crops and animals destroyed, is guilty of a grievous sin bef high heaven.

PRESIDENT A.H.LUND.

June 16,1900:
Explained that those receiving their second anointings, and afterwards committing adultery, he believed would finally be saved in the Celestial Kingdom, but, as the Lord has said, they will first be destroyed in the flesh and then turned over to the buffetings of Satan until their sin has been fully atoned for. The promise of salvation given when receiving the blessing referred to was positive, but in the event of afterwards sinning,(except in committing the unpardonable sin, for which no forgiveness might be expected) a full atonement must be made, and MORE would be expected of those so endowed.

NOTES

May 9, 1936:

Held special priesthood meeting at Short Creek, Arizona, with 17 present. The Lord showed me, through the Spirit, further light pertaining to celestial marriage: From this light I explained that when the Saints live in the fullness of the law, there will be no sexual intercourse or indulgences except for the purpose of propagating children. Men will respect the wishes of their wives, and never approach them except when invited, and women will never invite their husbands except to have children; and during pregnancy there will be no sexual relations. There are great and mighty spirits to come forth when the channel is sufficiently pure to welcome them, but they cannot be born under conditions of lust. The preparation for the birth of Christ is an example, and we in this dispensation must achieve that condition of purity if we would have the Lord send His choicest spirits through us. The reason the full revelation was not given in Section 132 is that to have given it to a people unprepared to receive it, as the Saints were at that time, and the bulk of them even today, would have meant condemnation to them, as when light is revealed, it must be accepted or condemnation will follow. Hence in His great mercy, the Lord restrained the Prophet from giving out the full revelation, but promised more hereafter. More was given on the subject in Carthage jail, just previous to the martyrdom of the Prophets Joseph and Hyrum. When the Saints are sufficiently purified and purged and can control their apetites, the fullness pertaining to this great principle of life will be given them. Birth Control is a divine principle, but God and not man must be the controller. Self control on the part of individuals, is the crying need. Until self control has been accomplished, the Saints cannot expect to advance and have the mysteries of the kingdom revealed unto them as God is prepared to do; nor can they have faith to walk in the light of truth each day and, in fullness, have the gifts of the Spirit. When self control is attained, we are in a position to subdue the earth and populate it with Prophets and Propheteses, and none other characters will be born to us.

May 14th. At a Priesthood meeting at the home of Elder Ernest P. Williams, Los Angeles, I counseled Bro. and Sister Williams; also Carl Fischer, not to prepare to go to Short Creek until advised by proper authority to do so, but to work and assist those who are there.

May 23rd: (Alonzo L. Cook)

Advised Bro. Cook not to marry the woman he had in mind, but to live in accordance with the celestial law as above set forth. Also advised him to pursue the real estate buisness in connection with cooperative plans, until such time as the Lord indicates otherwise. Set him apart and blessed him to succeed in that business. Blessed him with the gift of discernment, knowledge, wisdom and understanding; to deal righteously with others; to prepare himself to enter into the fullness of marriage. Promised him that he would be a preacher of righteousness; work among the Lamanites of Mexico and South America, and lead many to the light, and find wives among them.

NOTES

May 8, 1936:

Was lead by the Spirit to promise Elmer Johnson, at Short Creek, Arizona, that he was one of the 144,000 who should become the rulers of universes; and on the 15th. I was lead to predict that Elder Ernest P. Williams of Los Angeles, would be selected by the Lord to receive the higher order of Priesthood, and that his wife would qualify as an Eve.

GREAT BLESSINGS PROMISED:

Have been lead to promise the Saints, if they will carefully observe the teachings they have been receiving from the Priesthood and walk in obedience to all the commandments as they have been revealed, they would all have the honor of suffering persecution and that the Lord would never permit them to be cursed with riches to their undoing; that when they are sufficiently tried and purged and can, without qualification, acknowledge that all they possess belongs to the Lord to do with as the Lord sees fit, then the Lord will be pleased to bless them with more of this world's goods, and they will have greater comforts. The earth is the Lord's and the fullness thereof. Man owns nothing.

Also promised the Saints, based upon their faithfulness, if they would put their dependence in the Lord, they never again would have to see the inside of a hospital, nor undergo an operation. They should adopt the Lord's method of healing; build up a faith in the power of the Priesthood; use more olive oil and give nature a better chance.

May 24th.

Held meeting with Charles Owen, Louis A. Kelsch, Rula Broadbent and Barbary Owen and recommended they join hands in running the bakery and lunch business near the University. The business now in the hands of Bro. Owen, is about to collapse for want of proper help and capital; it is felt with the new line-up they will be able to pull through. All parties appeared willing to make the trial. I promised them, if they pull together, they will succeed.

May 26th. (Chas. H. Owen)

Authorized on behalf of the Priesthood, Bro. Owen to take the two children of his Sister, Gouldie, (the mother being dead) and care for them as seemeth him best, until such time as their father shall prove his right of guardianship over them. The children and their mother, it is understood, have been under the guardianship of Bro. Owen for some time.

July 11, 1936. (Francis M. Darter)

Blessed Bro. Darter and set him apart for a mission, to lecture among the Saints, and teach them of the coming redemption of Zion and the meaning of the great Pyramid. Blessed him with wisdom, the gift of discernment; that the mysteries of the Kingdom would be reaveled to him as the people were prepared forthem. He would never want for bread as long as he served the Lord. He would be permitted to life the fulness of marriage, if he remained faithful. His enemies would try and overcome him, but he would have power to overcome them. Blesses his automobile and trailer.

NOTES

July 12th:

Gave Sister Hillebrant, mother of sister Petty, blessing. She is to have gift of discernment, to know good from evil; to receive the revelations of the Lord for her own guidance; to have the opportunity and privilege of living the law of Sarah. She must seek for a testimony and accept it when it comes.

Held meeting of Priesthood at home of Bro. Boss; a few sisters that came down from Idaho, present. Daniel R. Bateman bore a strong testimony, reviewing his experience in the meeting of Sept. 27, 1886 at home of John W. Woolley; also explained some things with reference to the garments.

I instructed the Saints not to rail against Pres. Grant; that he was the right man in the right place. The people, because of their lack of faith, were not entitled to a better leadership than he gives them.

Warned against waste. Said famines are to come to this people. Said the policy of the authorities at Washington in destroying crops and animals, both born and unborn, was displeasing to the Lord, and we would have to pay for it. Don't be partisan. If you vote seek out men and not party. "There are no parties nor nationalities in the Church; we are one people if we live our religion.

666----666

Instructed Lyman Jessop not to move to Short Creek until further notified. We don't want to throw further burdens on the brethren there until they are better prepared to assume them.

July 17,1936: H.T.C.

At the request of some of the young people we inaugurated amusements for the benefit of those who are ostrasized by the Church. We conducted a very successful dance at home of Bro.Histand, about 851 E. S. Temple, Me furnishing the music. Daniel R. Bateman was present and explained how dances were conducted under the direction of Prest. Taylor in the early eighties (1884) A committee consisting of Jos.L. Jessup (Chairman) Royal Matson and Bro. Histand was appointed to conduct future amusements. The next party was appointed for two weeks hence at same place.

The dancing was the old time quardrille and old fashion waltzes, intersperced with signing,, toasts, refreshments,etc. The Spirit of the Lord was present. I feel the movement important and calculated to do much good.

NOTES

THOUGHT Sunday morning, Aug. 9, 1936:

we may be as perfect in our sphere is

God the Father may ~~be as imperfect~~ in His sphere as ~~we are in ours~~. To us He is perfect in the same relative sense as we are to our children.--but to His Father, He is struggling heavenward, overcoming, growing, developing, absorbing, delving, learning, understanding and ever becoming more glorified.

As we transmit to our physical children our traits, weaknesses, virtues and powers, so does God the Father unto His spirit offspring: hence the different grades of intelligences sired by the same being, and still different grades from the different mothers bringing them forth. Then, again, there are those inferior sires and dams who, through the sealing powers, have attached themselves to the God sire. They are assisting to build up their Master's kingdom and their offspring is still of an inferior quality, in proportion as they may be inferior to their Masters--differing in intelligence as they themselves differ from their head. Hence we get the lowest grades of heathens, the criminal, the weakling, as well as the statesman. It may be asked why God would permit such inferior sires to be attached to His kingdom, with the consequent prospect of bringing forth such inferior offspring for God to govern and assist in developing into a position to receive a glory; and the question may be answered, that to "love ones neighbor as ones self" precludes the rejection of an offer made in sincerity on the part of brethren to be sealed into ones kingdom. The strong MUST assist the weak and the laws pertaining to mercy and charity will not permit the rejection of an offer or request to be attached to ones kingdom, unless there are mitigating circumstances, which only God can judge, and express through His Priesthood authority on earth.

The 144,000 to become Gods are the direct offspring of the Father (but not all of His offspring, for some, in the exercise of their free agency, rejected the right to attain to such a high calling,) brought forth under perfect conjugal conditions. They become Lords of Lords, Kings of Kings and Gods of Gods--creators in their own right, because they qualify themselves for such exalted stations.

There is no end to progression. Where progression ends in ones life, retro-gression sets in. We are moving upward toward life or downward toward death. No organized intelligence has reached the end of progress--has learned all there is to know. THERE CAN BE NO STANDING STILL.

God is subject to law just as man is. A perfect understanding of the law governing in the sphere of existence in which God resides and controls, and the complete application thereof and compliance therewith, are what constitutes one a God. Let Him repudiate an eternal law and He repudiates the power of Godhood and the rights thereto.

There cannot be a God without a devil. One is as essential as the other; it requires practically the same knowledge in either calling. Both are offices.

While the office of Devil, Lucifer or Satan continues on eternally, and is an office pertaining to damnation, the personage occupying that office may not be damned, but may, after his work is finished and through the faithful performance thereof, and as a result of adhering to the laws of eternity as his head, the Father, has done, himself receive exaltation.

As there is the office of Lucifer so there is the office of Christ. To the extent that the occupants of these offices perform their duties in accordance with the laws pertaining thereto, to that extent will they receive exaltation.

NOTES

Arthur C. Halladay:

Aug.17, 1936: Told him not to crowd the matter of entering into plural marriage; but to put himself in harmony with the principle and dedicate his life to the Lord, offering to enter into the fulness when the Lord wishes him to. He is a man of God and has a great mission before him.

Short Creek:

Gave I. W. Barlow $60. with which to purchase a ton of flour to take to the Saints at Short Creek. Advised him to keep near the Lord and do what he can to hold the Saints together until such time as the Council gives fuller directions.

Sacramental Covenant:

Last evening gave blessing to Sister Christopherson for her general health. After this, was prompted to have the sacrament administered. Present: Mother Kmetzsch, Luck, Anna, Gouldie and Elsie. Sister Christopherson and brothers Arnald Boss, Jos. L. Jessop and Axel Erickson, with myself. After the sacrament, I promised those present that if they will diligently keep the covanant they made to take upon them the name of Jesus Christ, always remember him and keep His commandments, the Lord would, from that hour fight their battles, and grant every righteous prayer of their hearts; and Satan would have no power over them. Elders Boss and Jessop bore testimony to the Gospel and to what had been said and done.

November 3,1936: [illegible]

Related that on December 4, 1927 meeting consisting of Jesus Christ, Joseph Smith, Sr., & Hyrum Smith, ~~Brigham Young~~, John Taylor, John W. Woolley, Lorin C. Woolley and probably Jos. F. Smith, at the home of John W. Woolley. ⊕

⊕ On this day J.W.Musser, Daniel R. Bateman, Moroni Jessop and Louis A. Kelsch visited George Earl of Centerville, who was reported as being one of the thirteen at the special meeting held Sept.27,1886 at the home of John W. Woolley. We questioned Bro. Earl as to what he knew regarding the proceedings at the meeting in question. He could remember but little of the details. He was 15 years old at the time, was a chore boy, and was in and out, but he remembered such a meeting though he didnot remember, in detail, the instructions given. He was well acquainted with Prest.JOHN TAYLOR, Geo. Q. Cannon, Jos. F. Smith, the Woolleys, L.John Nuttall, the Batemans, Sammie Burrell and others who met there, and was used, at times, as a messenger boy. He knew why the brethren were there, and all were sworn to strictest secrecy. With emphasis he stated: "John W. Woolley, Lorin C. Woolley and Dan Bateman were all truthful men," and that he would stake his life on their word. He believes what they said about the meeting and the purpose of it, though much of the details he either did not hear, as he was in and out of the house during the meeting, or did not remember. Repeating one expression of George Q. Cannon, a very unusual expression from him, as he had always been very mild in language, speaking of a certain deputy marshal who had been a Mormon, Prest Cannon exclaimed, "He's a tithing-eating son-of- a-bitch."

Only two Presidents of Church in this dispensation, but who was released through mistakes: Joseph Smith and John Taylor.

Joseph Smith is here getting things in shape for the "setting in order." He is now setting the House of God in order. The sealed part of the Book of Mormon has been translated and will be given to the Priesthood and Saints when the time comes. This work has been going on for some time.

Watch Constantinople, when it falls!

Daniel R. Bateman, Nov. 3, 1936, took the three above⊕mentioned to the place on the Temple-block where he met Lorin C. Woolley and Jesus Christ, and shook hands with them. Patriarchal grip. Said he heard George Q. Cannon say in the West Jordan Meeting House, "I know that my Redeemer lives for I have seen him." and Bro. Bateman said, "So do I know my Redeemer lives for I have seen him, and shook hands with him."

⊕ On the occasion of this special meeting, the Saviour furnished bread and wine for the sacrament, which was administered. It was at this meeting John W. Woolley was informed he was wanted on the other side to give evidence that Patriarch Harrison Sperry, who had gone a short time previous, could not give.

December 6, 1936.

At the meeting at Millville today, after testimonies had been born by Elders Joseph S. Jessop, Eslie D. Jenson, John A. Bistline and Martin Olsen, I said, in substance, that at a meeting on the previous Sunday, Elder Zitting spoke of the labors ~~of h~~ and death of David Clayton, who took part in persecuting him, under instructions of James E. Talmage. As he was relating the incident, a vison was opened to my mind, showing that Bro. Clayton had been called to testify in the case before the Priesthood in the Spiritx World, vs. James E. Talmage. Bro. Talmage had denied the part he took in persecuting the Saints for living a divine principle, and it was necessary that an additional witness be called from mortality to confirm the evidence already given by John W. Woolley, Lorin C. Woolley and Jos. L. Broadbent.

The brethren here are witnesses against thdse who took part with them; that if we remain faithful, none of those who take part against us, will go on to the highest exaltation, nor can they pass ~~them~~ us without ~~thei~~ our approval. Strange diseases are coming. Those holding the Priesthood must prepare themselves to defend their homes against these things.

While Prest. Taylor was here--though he was the mouth-piece of God,--he was denied sanctuary by those of the brethren who were either afraid, or in partnership with the enemy.

The reason the Priesthood cannot lead the Saints astray, is that God has given the revelations for the guidance of the Saints. The function of the Priesthood is to keep the Saints in touch with the revelations. Those who cling to the revelations can never be lead astray.

Dwecember 18: Elder A.J. Higgs relates:

John R. Young, eldest son of Lorenzo D. Young, said in his presence, that General Custer was the son of Joseph Smith by his plural wife Fannie Alger.

Said Prest. Grant remarked in his presence, while in England, that he had forgiven but one man in his life; that was Apostle Carrington. The facts are,as related: The Quorum of Twelve had voted three times to restore Elder Carrington to his former blessings, 11 for and H.J.G. against. Prest. Taylor said we will take another vote in the morning, and if Heber doesnot harmonize his spirit with the rest of the Quorum, his standing will be called into question. Heber went home that.afternoon, thinks it over and hurries back to Prest. Taylor offering to vote in harmony with the Quorum.

----

4 -- Regarding appointment of Jos. Fielding Smith to the Quorum. Hyrum Smith had been chosen. Bro. Higg's future wife was sowing at the Smith residence, when Joseph Fielding's mother came into the room where President Smith was, and "read the riot act"to him, demanding her son receive such appointment also. It was accordingly done.

✓ 4 Sunday Dec.27, 1936, held meeting at home of Joseph L. Jessop, Millville,Utah. Among speakers were Moroni Jessop and Lothair W. Allred. I told the Saints that the Priesthood of heaven had placed a special guard for Eslie D. Jenson, when he sponsored the Ballard correspondence and permitted it to be published,--the result of which is that he has been protected in his life and he has been blessed in his financial undertakings.

4 Said those who seek a sign are adulterous, not only means that men are unchaste with reference to women, but that they adulterate the truth; they lie, steal, are sexually impure and they murder. This one of the Apostles of this dispensation, and in my life time, has been guilty of.

Said Richard W. Young has been assigned to the training of the hosts of heaven in a military way; that John the Revelator is 4 working among the"Ten Tribes of Israel"; that Prophets are working in Mexico and South America, and in Jerusalem. That the time would soon come when Independence, Mo. would be swept clean and the Saints of God would begin the building of the Temple and the New Jerusalem.

Said that those who have proven themselves would receive anointings under the hands of Jesus Christ, but He would not anoint them until it had been demonstrated they were beyond the question of doubt, able to stand and remain true.

Joseph is working, getting his forces organized, translating the records, and preparing to set the Church in order. That everything now was out of order, but that the Church would never be cast off for the majority would always stand by the revelations. There would be many "clicks" and "isms", but the majority would stay with Joseph Smith.

Said Heber J. Grant was not required to make the "negro story" speech at the October conference in 1918, but was permitted to do so to test him out. That he has been given to the Church as its leader because the Saints are not entitled to a better man; that he hasn't sufficient knowledge to permit him to commitè the unpardonable sin. Joseph F? Smith knew he would become President of the Church, but did not leave him the keys of Priesidency--he took them with him and returned them to Joseph.

December 7, 1937

Held joint class meeting with brethren and sisters tonight, at the home of Bro. Cleveland's at 7:30 P.M. After singing and prayer I explained the sacrament, its purpose and the sacredness of it, along with all other covenants entered into with the Lord; also read the statement of loyalty to each other, not to judge until it is known for a surety, and then to judge in righteousness. The sacrament was then administered, after which I instructed them until 9 P.M., followed briefly by Elders Zitting and Kelsch.

I told them that they were a preparatory Of junior "School of the Prophets and Prophetesess," and read them Joseph Smith's instructions regarding councils, order &c. Also from Sectidn 88 regarding proper deportment in such school. Read Joseph & Oliver's pledge to the Lord regarding tithing, and told the Saints that was God's insurance to us. If from this day we will be honest with the Lord and pay into His cause a tenth of all He gives us He will fight our battles, and if in addition we serve Him, He will cause us to stand.

Told them not to be too anxious about the Lord rushing His judgments. They will come soon enough. Not to want visions, revelations, to see the Seer stone, etc. until they are prepared to accept the responsibility thereof; otherwise such experiences might prove a curse rater than a blessing.

Told them we are going into another depression and that every man and women must get close to the Lord and stay there, or they would not stand.

Instructed them to learn to conduct them in their class work intelligently, to speak to the point; don't all insist on giving the same answer to questions, though in slightly different words; don't wander from subject in hand.

Cautioned them against saying anything in the light of criticism against Brigham Young's teachings or the teachings of other Prophets of God, though they may appear radical to us; if we do not understand them it is no fault in the teachings, on the other hand to criticise them and find fault with them would cause the Spirit of the Lord to withdraw from us.

A good spirit prevailed at the meeting and our instructions were received without hesitancy.

Friday Jan.14, (HOLY GHOST.)

Listened to reading of MSS. of Francis M. Dater on above subject, which he is about to print. Made some suggestions gor modification. Told him I did not think the Priesthood would care to give the MS. its official approval, certainly not ~~xx~~ without going into it thoroughly, which would take some time. I feared his understanding of some phases of the subject was not clear; if he proceeds with the publication he must do so on his own responsibility.

JUNE 10, 1938

Visited with Sister Minnie Raymond at No.68 Canyon Road, and heard her testimony regarding the garments and temple clothing. She lived at Monmouth,Ill, when she accepted Mormonism. She learned from her "Aunt Polly" Bunker, also at Monmouth, regarding Joseph Smith and the garments of the Priesthood. "Aunt Polly"hhad heard the Prophet's instrucions on the Garments and seen him cutting out a pattern. While thus engaged,one of his wives asked,"Why a collar." He said,"That is the yoke of the Lord. Take it off and it means you refuse to take on the yoke of the Lord." She asked,"Why strings; buttons would be neater." Reply:"They represent unity and trinity." Joseph explained that some day the garments would be cut to pieces and then the people who wore them in an altered condition would ceased to be blessed of the Lord.

She told of having received instructions on several occasions, in the temple and elsewhere, from President Joseph F. Smith, who promised her that she would be called to make temple clothing and to maintain the proper patern. He told her a great many requests were being received to change the garments but that they would not be changed in his day, but would later. He said the time would come when the faithful L.D.S. would flee into the temple for protection, which house will be large enough to hold the faithful Saints because of the great falling away that will have taken place; and the arm of the Lord will come between the people who adopt the new garments and the temple, so that they cannot enter. The people will not hinder them entering, but the Lord will.

She was told when she is called to make temple clothing not to make merchandise of them, but let the Saints have them at cost.

When the garments were changed she would not accept of the change, and was repremanded for her attitude, taking a stand against the leaders, so-to-speak. She was bewildered and fasted and prayed three days for light. Not receiving an answer she asked the Lord if she had done wrong in seeking direction that He forgive her. A darkness came over her. Something seemed to be trying to choke her. She was in distress. She finally gained strength to pray to the Lord for deliverence, when the darkness left and a glorious personage came before her, standing above the floor, with a full set of templ clothing on his arm. She was shown the proper pattern and told never to vary from it; that the Lord was pleased with her work, and that she was to continue as she had been previously instructed. Among other features the robe has either three, five or seven hems.

She makes aprons with leaves from green calico placed on white muslin. Leaves are lapped. Apron part of the creation--the temple, but not part of the temple robes. It was shown her that when we go into a celestial sphere our clothing will be different, etc.

Recently a sister among the "higher-ups" sent her some silk lingerie to be washed and ironed. She found the temple marks in the princess-slip, other marks in the band and knee mark in a long piece of ribbon. She bundled them up and returned them, saying she would have nothing to do with them. She refuses to mark the new style garments for people.

Prest. Smith told her the time would come when our garments would have to be made at home by our own people.

August 1938

Tuesday 16:-

Attended class meeting. 28 present. Installed David A. Jeffs as class leader, in place of Louis A. Kelsch, who is not able to be in attendance. Joseph Lyman Jessop will assist Elder Jeffs.

Told the brethren the Lord was watching them and that every one of them had the privilege of qualifying for service in His work--to receive the fulness of the Priesthood and to see Him face to face. That the work of preparation for the setting of the house of the Lord in order is underway, and that Joseph Smith has it well in hand.

February 16, 1939

Dr. LeGrand Woolley related:

His father ~~Edwin~~ D. Woolley Jr., when President of Kanab stake, and in order to defend his counselor, Bro. Chamberlain, from being embarrassed by being dropped from the Presidency for living polygamy, consulted with John Henry Smith, then counselor to Prest. Jos. F. Smith, the latter being ~~out~~ busy LW ~~of City~~. He asked if he had not better resign as President of the stake before Bro. Lyman got there, in which case none of them cou could be handled--the Presidency would be disorganized. John Henry thought it a good plan and that it would meet with the feelings of President Smith. Bro. Woolley said: "John Henry, why don't you brethren take this question of polygamy up with the Lord and have it settled once and for all?" He Answered: "D. we have taken it up with the Lord but the Lord will not answer us upon that question."

2. Authority to exercise the sealing rights, restored by Elijah, more particularly with reference to Celestial marriage sealings.
3. To teach and support all the principles of the Gospel, when necessary, independent of Church, but not to set Church in order without definite instructions.
4. To receive tithes and offerings to be used in furtherance of the work.

BROTHERHOOD OATH

I now covenant with you before God, that I will not listen to nor credit any derogatory report against any of you, nor condemn you upon any testimony beneath the heavens, short of that testimony which is infallible, until I can see you face to face and know of a surity; and I do place unremitted confidence in your word, and I believe you to be men of truth.

I further pledge loyalty to the Gospel in its fulness, as established by the Lord through His Prophet Joseph Smith, and his successors in the Priesthood, placing my time, talents, possessions, wives, children, and life, on the altar to be used, when necessary, in defense of the same.

Admonition:

These sixsthings doth the Lord hate:
yea, seven are an abomination unto Him:
A proud look.
A lying tongue.
Hands that shed innocent blood.
An heart that deviseth wicked imaginations
Feet that be swift in running to mischief
A false witness that speaketh lies
And he that soweth discord among brethren
-Prov.6.

SUGGESTIONS ON PRAYER

1. Express gratitude for all blessings.

2. Seek forgiveness of sins as we are willing to forgive others.

3. Pray for unity among and Divine guidance of the Priesthood and Circle groups, including those specially appointed to labor the Americas, on the Eastern continent, and among the ten tribes; for the early setting in order of the House of God and the imparting to the worthy Saints of their Temple blessings.

4. For the spiritual and economic advancement of the Saints, opening the way for those desiring and qualifying to enter the Patriarchal order.

5. For the Church leaders, that they might either repent and do the will of the Lord or be removed from power, and cease to be stumbling blocks to the Saints.

6. For the confounding of the enemy, the complete operation of the Divine law of Retribution, the early dissolution of the government of the United States, with all world governments, and the setting up of the Kingdom of God.

7. For the gifts of the Spirit, with particular reference to the gift of healing and of the discernment of Spirits

March 14, 1939

On the 8th. Elder George Albert Smith, came to the residence on Michigan Ave. and invited me to call on him at his office; said he had had a dream in which I figured and felt impressed he would like to have a talk with me. This morning I met Bro. Smith at 10 A.M. at his office in the Presidency Bldg. and was treated with perfect consideration and courtesy. Bro. Smith is a splendid host, knowing how to make one feel at ease in his presence, and inspiring the thought that he doesnot wish it felt that he is the greater.

My host spent perhaps 1½ hours in preliminary talk, leading up to the burden of his message, that I should do as Bro. Cowley and get back into the Church. He felt that I had been deceived and was deceiving others--sincerely so, and yet my deception would bring much sorrow to my victims.

I give him a birdseye account of my life in the order of plural marriage; how Prest. Snow had given me a higher blessing, after which I was told I had been selected to enter plural marriage; that when I asked the girl's father, a member of the Millcreek Wd. Bishopric and a polygamist of old standing, for his daughter he replied that it could not be done since the Manifesto. He would like me as a son-in-law but the act was forbidden. I asked him to pray about it, get the will of the Lord and let me know. In half an hour he wa was back and said it is all right; told me he had met Apostle Jno. Henry Smith; put the matter up to him and was told it was O.K. That was in 1899. I told him how my father, then Church Historian, was worried over my having entered the law, and had gone to his file leader Prest. Anthon H. Lund for advice concerning it, and had been told that it was all right. The door had been opened and "your son is all right." I told him how George Q. Cannon had told me that his son Abram, who married a girl since the Manifesto, did only that which he was told to do, and that Prest. John Taylor had taken action to see that the principle was kept alive. I told him how his father, John Henry Smith, promised me a special blessing if I would go to Heber City and help Prest Wm.H. Smart in a clerical way, and that the "special blessing" was to meet and win my third wife, Ellis; and that when the statement of Joseph F. Smith of, 1904 was made stopping any future marriages, and I had not yet been married to Ellis, (or rather she to me) I appealed to Apostle Merrill, and was shortly after given this girl. Also how Prest. Lund informed certain members of our Temple prayer circle, in answer to a question, that we should bless our children at home, baptize them when of age, and pass the record in to the Church when the Church gets willing to receive it. I mentioned other details, bringing in Bro. Ivins work in Mexico, and the fact that Prest. Grant had testified over his own signature that Bro. I. had married a certain couple in polygamy after the Manifesto, and the marriage was all right. To these testimonies, Bro. Smith could only say that he was surprised, that there seemed to be two schools of thot in the Church, one led by President Cannon and the other by Prest. Woodruff, and that he was staying with the present leaders, and thought I should do likewise. He could not admit that, although justified in the course I had taken in my polygamous life by reason of the facts I had related, that I was properly married to these women, nor can that principle be lived now until the President of the Church speaks. He felt I should get back in the Church and asked me to think of it; always to count on him as a friend.

Our interview was very friendly, devoid of any anger on either side, and I was invited back at any time. I told him I had sought the will of the Lord and would continue doing so, and try and follow His will under all circumstances.
